SUPREME COURT

Court Notices

Please take notice that papers commencing an action or special proceedings in the Supreme or County Courts pursuant to the newly amended provisions of CPLR 304 and 306-b are to be filed with the County Clerk and not the clerks at the courthouse. In Suffolk County, the "clerk of the court" is the Suffolk County Clerk for the purposes of CPLR 304 and 306-b (see, County Law Sec.525 subd. 1).

The clerks at the courthouses cannot accept papers filed for the purposes of commencing an action or special proceeding. Papers improperly filed with the clerks at the courthouses will not be transferred to the County Clerk for filing and will, instead, be returned to the litigant.

Be advised, papers improperly filed with the clerks at the courthouse may not be deemed a "filing" which tolls the running of the applicable statue of limitations.

Please take notice that no Request for Judicial Intervention or its copies will be accepted by this court unless stamped on its face is the County Clerk's certification that the fee for its filing has been paid. This office will not transmit fees for Requests for Judicial Intervention or Index Numbers to the County Clerk. In instances where a fee for a Note of Issue is required present practices will continue.

The County Clerk requests that where practicable the Request for Judicial Intervention and fee not be accompanied by papers for submission to the court. Please include a stamped self-addressed envelope in order to expedite the return of your receipted RJI.

The Bar is requested to file stipulations of discontinuance in cases which have been assigned under the Individual Assignment System with this office in the first instance. After processing, this office will file the discontinuance with the County Clerk.
