LSW & Associates Safety Consulting Services, LLC | PO Box 7359, Pueblo West, CO 81007  
StevenRSawyerCo@gmail.com | 719-696-2682

Active in the safety industry since 1999, working with clients in various diverse industries, especially agribusinesses. Has assisted clients with OSHA inspections, EPA audits of anhydrous ammonia programs, and Federal U.S. DOT hazardous material audits. Provides consulting, investigative, and expert witness services regarding safety issues to insurance carriers and attorneys, both plaintiff and defense, in cases of wrongful death and catastrophic injury on issues including:

- Lockout/Tagout (LOTO) / Hazardous Energy Control
- Grain Bin Engulfment
- Permit Required Confined Spaces
- Machine Guarding
- Grain Augers and Ground Pile Grain Belts
- Forklifts, Telehandler Forklifts, and Material Handling Equipment
- Skid-Steer Loaders (Bobcats) and Front-End Loaders
- Agricultural Equipment Operations
- Grain Railcar Handling
- Safety Program Administration (adequacy and effectiveness)
- OSHA Regulations
- Safety Codes and Standards
- EPA Worker Protection Standard
