*Bariatric surgery thought leader. Performed over 5,000 primary bariatric surgical procedures and 500 revisional bariatric procedures. Medical Director of nationally accredited bariatric surgery center. Award-winning teacher. Widely published scientist. Author of the nine books. Inventor and patent holder of bariatric surgical device. Clinical experience includes bariatric surgery and endoscopy, sleeve gastrectomy, gastric bypass, duodenal switch, reoperative surgery, revisional surgery, hiatal hernia, wound care, Barrett's esophagus, hernia mesh, hernia mesh explantation, endoscopic stenting, leaks, Ambulatory Surgery Centers, and solving complications. Prolific public speaker. University of Nevada School of Medicine faculty. Experienced expert witness at both deposition and trial.*

#### **Current Positions**

- . **Renown Regional Medical Center;** Medical Director, Nationally Accredited Bariatric Surgery Center
- . **University of Nevada School of Medicine,** Clinical Assistant Professor, Physiology & Cell Biology
- . **Nevada Surgical Associates;** Founder, Medical Director
- . **Nevada State Board of Medical Examiners;** Surgical Case Review Expert

#### **Hospitals | Surgery Centers**

- . Northern Nevada Medical Center; Attending Surgeon
- . Renown Regional Medical Center; Bariatric Medical Director; Attending Surgeon
- . Saint Mary's Regional Medical Center; Attending Surgeon
- . Quail Surgery Center; Attending Surgeon

#### **Past Positions**

- |                                                                                                     |                   |
|-----------------------------------------------------------------------------------------------------|-------------------|
| . ACell Corporation, Scientific Advisory Board                                                      | 01.2016 - 12.2020 |
| . Western Bariatric Institute; Founder, Medical Director                                            | 01.2001 - 08.2012 |
| . Allergan Corporation, Clinical Advisory Board Member                                              | 01.2010 - 01.2012 |
| . Major, United States Air Force Reserve 9026th Air Reserve Squadron<br>Malcolm Grow Medical Center | 09.1995 - 07.2007 |

**Nevada State Board of Medical Examiners**

- License 9336 | 04.10.2000-06.30.2023

**Board Certification**

- **American Board of Colon and Rectal Surgery**, Recertified Through 12.31.2024 | License 03033511
- **American Board of Surgery**, Recertified Through 07.01.2024 | License 02867

**Fellowship Details**

- **Lahey Clinic**, Department of Colon and Rectal Surgery, 1999 - 2000 Emphasis on Minimally Invasive surgery of the intestinal system
- **American Society for Metabolic & Bariatric Surgery**, Awarded 03.2016

**Residency Details**

- **University of California, San Francisco**, Department of Surgery, 1994 - 1999 Emphasis on Minimally Invasive surgery of the digestive tract

**Education Details**

- **University of California, San Francisco**, M.D., 1994, Alpha Omega Alpha
- **U.C. Berkeley School of Public Health**, M.P.H. in Epidemiology, 1992 *Emphasis in quantitative analytic techniques including multivariate regression modeling.*
- **U.C.S.F. — U.C. Berkeley Joint Medical Program**, M.S. in Health and Medical Sciences
- **University of California, San Diego**, B.A., Chemistry/Biochemistry, 1988, Cum Laude, Phi Beta Kappa
- **University of Madrid, Spain**, Minor in Spanish Studies, 1986 – 1987
- **Apollo Endosurgery**, ORBERA Intragastic Balloon System Certification, October 2015
- **Apollo Endosurgery**, OverStitch Endoscopic Suturing System Certification, May 2014
- **Inamed Health Training Program**, BioEnterics Lap-Band System Workshop, 2004
- **California Institute of Minimally Invasive Surgery**, Preceptorship in Bariatric Surgery, 2001
- **Virginia Commonwealth University**, Laparoscopic Bariatric Surgery Course, 2000

**Languages**

- Bilingual — English and Spanish

**Inventions | Patents**

- SLEEVE TUBE AND METHOD OF USE | US 10,653,545 B2 | May 19, 2020

**Honors**

- 2011 Healthcare Hero Award – Nevada Business Weekly
- 2010 Designated Fellow – The American Society of Colon and Rectal Surgeons
- 2009 Bronze Metal 101 Medically Proven Tips for Losing Weight – Fore Words Health Category

- . 2001 Research Prize - New England Society of Colon and Rectal Surgery
- . 1999 Chesson - U.C.S.F Department of Surgery Award
- . 1998 U.C.S.F House Staff Teaching Award
- . 1994 Alpha Omega Alpha
- . 1994 Nusc-Galante Outstanding Student Award
- . 1993 - 1994 Clinical Honors in eight clerkships
- . 1991 International Bioethics Institute Research Award
- . 1990 Philosophy and Medicine Research Grant
- . 1988 Phi Beta Kappa
- . 1985 President's Undergraduate Fellowship
- . 1985 Undergraduate Scholastic Grants
- . 1985 Outstanding Freshman in Chemistry Award
- . 1984 - 1986 Provost's Honor List

### **Teaching**

- . University of Nevada Medical School and Residency Training Programs | 2005-Present
- . Teaching resident surgical, digestive, and obesity-related disease | 2010-Present
- . Proctor | Visiting Laparoscopic Surgeons in Instructional & Cadaver Labs | Minimally Invasive Hernia Repair | 2010-2018

### **Society | Organization Memberships**

- . American College of Surgeons, Fellow
- . American Society of Colon and Rectal Surgeons
- . American Society for Metabolic & Bariatric Surgery
- . Society of American Gastrointestinal Endoscopic Surgeon
- . Society for Surgery of the Alimentary Tract

**Interviews | Lectures | Presentation | Proctor**

1. Presentation. "Regenerative Medicine: Changing the Healing Paradigm". Panelist. Columbia, MD. June 27, 2019.
2. Proctor. "Wound Symposium" Visiting Surgeon & Medical Provider Groups. Reno, NV. October 26-27, 2018.
3. Presentation. "Regenerative Medicine: Changing the Healing Paradigm". Panelist. Chicago, IL. September 7, 2018.
4. Presentation. "Long-Term Clinical, Radiological, and Histological Follow-up After Complex Ventral Incisional Hernia Repair Using Urinary Bladder Matrix Graft Reinforcement A Retrospective Cohort Study". Abdominal Wall Reconstruction (AWR) Conference. Washington, DC. June 9-11, 2018.
5. Proctor. "Abdominal Wall Reconstruction & Hernia Repair via Cadaver." Miami, FL. January 19-20, 2018.
6. Presentation. "Regenerative Medicine: Changing the Healing Paradigm". ACeLL Physician Groups. Denver, CO. February 5, 2015.
7. Presentation. "Improving Care of the Obese Patient". Annual NOMA Meeting. South Lake Tahoe, CA. January 24, 2015.
8. Interview. "Man-Up and Lead." Double-Wide Network. Phoenix, AZ. January 5, 2015.
9. Presentation. "New Solutions for Fecal Incontinence". Reno Physician Groups. Reno, NV. November 19, 2014.
10. Proctor. "Abdominal Wall Reconstruction & Hernia Repair via Cadaver." Surgeon Groups. University of Nevada Transgenic Medical Center. Reno, NV. May 17, 2014.
11. Presentation. "Laparoscopic Skills Training." University of Nevada School of Medicine | Year 1 Medical School Class of 2018. University of Nevada Pennington School of Medicine. May 16, 2014.
12. Proctor. "Regenerative Medicine in Laparoscopic Intestinal Surgery via Live Swine." Surgeon Groups. University of Nevada Transgenic Medical Center. Reno, NV. January 25, 2014.
13. Television Interview. "Obesity and the Link to Breast Cancer" KTVN Channel 2 Wendy Damonte Health Watch. Aired December 2, 2013.
14. Lecture. "Minimally Invasive Solutions to Diabetes & Obesity" University School of Medicine. Reno, NV. September 19, 2013.

15. Television Interview. "Avoiding the Freshman 15 | What Are the Best Choices at University of Nevada Reno's Dormitory Cafeteria?" KTVN Channel 2 Wendy Damonte Health Watch. Aired September 12, 2013.
16. Proctor. "Laparoscopic Intestinal Surgery via Live Swine." Surgeon Groups. University of Nevada Transgenic Medical Center. Reno, NV. September 7, 2013.
17. Television Interview. "Avoiding the Freshman 15 | What Are the Best Choices at the University of Nevada Reno's Jot Travis Student Union?" KTVN Channel 2 Wendy Damonte Health Watch. Aired September 5, 2013.
18. Television Interview. "Healthy Eating to Avoid the Freshman 15". KRNV | Fox Channel 21. August 26, 2013.
19. Presentation. "Human Gastrointestinal Muscles for Translational Research". University of Nevada Center for Molecular Medicine. Reno, NV. July 29, 2013.
20. Television Interview. "Free Diabetes A1/C Testing for Northern Nevada". KTVN Channel 2 Wendy Damonte Health Watch. May 27, 2013.
21. Television Interview. "Face to Face Interview". Nevada Business. May 1, 2013.
22. Webinar. "Regenerative Medicine: Changing the Healing Paradigm". ACell Physician Groups. March 11, 2013.
23. Television Interview. "Diabetes on the Rise in Nevada". Face the State. March 9, 2013.
24. Presentation. "The Integrated Approach to Diabetes Management". Continuing Medical Education for Renown Regional Medical Center. February 19, 2013.
25. Presentation. "A Surgeon's View in Reducing Surgical Site Infections". Health Insight Nevada. February 7, 2013.
26. Presentation. "Curing Diabetes Through Surgical Weight Loss". University of Nevada School of Medicine. February 6, 2013.
27. Presentation. "An Integrated Approach to Obesity, Type 2 Diabetes and Weight Loss, New Pharmaceuticals and Minimally Invasive Procedures that Work". Truckee/Tahoe Hospital. November 12, 2012.
28. Presentation. "Diverticulitis, Colitis, and Crohn's: When Should a Colorectal Surgeon Play a Role." Plumas District Hospital. November 7, 2012.
29. Medical/Surgical Grand Rounds 2012. "An Integrated Approach to Obesity, Type 2 Diabetes and Weight Loss: New Pharmaceuticals and Minimally Invasive Procedures the Work". University of Nevada School of Medicine's Outreach. October 17, 2012.
30. Webinar. "Online Health Series: Minimally-Invasive Weight-Loss Procedures." Renown.org online health series. October 2012.
31. Presentation. "Progress in Diagnosis and Minimally Invasive Treatment of Colorectal Cancer: Are We Making a Difference?" Banner Churchill Hospital. August 30, 2012.
32. Interview. "Pyramid to Plate: New Food Guidelines." SF Gate. July 2012.
33. Radio Interview. Obesity, Diabetes, and Bariatric Surgery The Monica Jaye Show. March 4, 2012.
34. Television Interview. KRNV. February 29, 2012.
35. Television Interview. "Ask the Doctor: Diabetes." KTVN. February 20, 2012.

36. Radio Interview. The Monica Jaye Show. February 17, 2012.
37. Radio Interview. The Jamie Kalicki Show. January 20, 2012.
