# EIGHTH ANNUAL READERS' POLL

## Picking The Best

Welcome to the results of our eighth annual Connecticut Law Tribune readers' poll, in which our readers have cast their votes for the best providers of services and goods to the legal profession.

This is a subjective, not objective poll. It does not measure who writes the most business, who has the most revenue or the most customers. It does measure the loyalty and satisfaction readers have with vendors. It is an opportunity for readers to speak up for those providers they believe are the best.

Since early August, the Connecticut Law Tribune conducted an online survey of readers. We promoted this project via house ads in the newspaper, emails to Connecticut attorneys, and through our website [CTLawTribune.com](http://CTLawTribune.com). Readers responded vigorously to the opportunity to voice their choice. Here, then are their choices for The Best – the companies that won the loyalty and support of Connecticut's legal community.

We would also like to congratulate Ellen Lubell, of the Law Office of Ellen B. Lubell, of Westport, Conn., as the winner of the Apple iPad. The drawing was held as a thank you for taking the survey.

**Jeff Forte, Esq. | Publisher**

## Thank You
