Any report accompanying this proposal was prepared by the Committee to indicate the rationale for the proposed rulemaking. It will neither constitute a part of the rules nor be adopted by the Supreme Court.

The Committee invites all interested persons to submit comments, suggestions, or objections in writing to:

By the Juvenile Court Procedural Rules Committee,
Judge Andrea Marceca Strong, Chair

SUPREME COURT OF PENNSYLVANIA JUVENILE COURT PROCEDURAL RULES COMMITTEE PUBLICATION REPORT Proposed Amendment of Pa.R.J.C.P. 1601 and 1608

The Juvenile Court Procedural Rules Committee (“Committee”) is considering proposing

the amendment of Pennsylvania Rules of Juvenile Court Procedure 1601 and 1608 to implement the Act of December 14, 2023, P.L. 412, No. 48, concerning “potential kinship care resource.”

Effective February 12, 2024, the Act added the definition of “potential kinship care resource” to the Juvenile Act, 42 Pa.C.S. § 6302. The Act also amended 42 Pa.C.S. § 6336.1(a) to require the county agency to provide notice of permanency hearings to potential kinship care resources. The potential resource then has the right to be heard at the hearing as to the resource’s qualifications to provide kinship care. Thereafter, the court must decide whether the resource may receive notice of, or participate in, future hearings.

To reflect the Act, Pa.R.J.C.P. 1601(a)(5) is proposed to be amended to include “potential kinship care resource” as a person to receive notice of the permanency hearing. Additionally, a new subdivision (d)(1)(xviii) is proposed to be added to Pa.R.J.C.P. 1608 to require a finding on whether the potential kinship care resource should receive notices of future hearings.

The Committee invites all comments, concerns, and suggestions regarding this rulemaking proposal.

Rule 1601. Permanency Hearing Notice.

[A.](a) At least [fifteen] 15 days prior to the hearing, the court or its designee shall give notice of the permanency hearing to:

- (1) all parties;
- (2) the attorney for the county agency;
- (3) the child’s attorney;
- (4) the guardian’s attorney;
- (5) the parents, child’s foster parent, preadoptive parent, [or] relative providing care for the child, or a potential kinship care resource;

- (6) the court appointed special advocate, if assigned;
- (7) the educational decision maker, if applicable; and
- [B.](b) (8) any other persons as directed by the court.

If a party intends to request a goal change from reunification, then either the notice shall state this purpose or the party shall give separate notice of the intended goal change in accordance with [paragraph (A)] subdivision (a).

Comment: Regarding subdivision (a)(5), see 42 Pa.C.S. § 6302 for the definition of “potential kinship care resource.” Once a potential kinship care resource has addressed the court as to the individual’s qualifications, the court is to decide whether the potential kinship care resource may receive notice of, or participate in, future hearings. See Pa.R.J.C.P. 1608(d)(1)(xviii). If the court decides that the potential kinship care resource is not to receive notice of future hearings, notice to that individual pursuant to subdivision (a)(5) is no longer required.

Given the significance of discontinuing the goal of reunification, the requirement of [paragraph (B)] subdivision (b) is to ensure that parties, counsel, and interested persons have notice of the purpose of the hearing and are able to prepare for and attend the hearing.

[Official Note: Rule 1601 adopted August 21, 2006, effective February 1, 2007. Amended April 29, 2011, effective July 1, 2011. Amended May 17, 2018, effective October 1, 2018.]

Committee Explanatory Reports:

Final Report explaining the provisions of Rule 1601 published with the Court’s Order at 36 Pa.B. 5571 (September 2, 2006). Final Report explaining the amendments to Rule 1601 published with the Court’s Order at 41 Pa.B. 2413 (May 14, 2011). Final Report explaining the amendments to Rule 1601 published with the Court’s Order at 48 Pa.B. 3321 (June 2, 2018).]

Rule 1608. Permanency Hearing.

(d) Court’s Findings.

(1) **Findings at all Six-Month Hearings.** At each permanency hearing, the court shall enter its findings and conclusions of law into the record and enter an order pursuant to Rule 1609. On the record in open court, the court shall state:

(xvi) whether sufficient steps have been taken by the county agency to ensure the child has been provided regular, ongoing opportunities to engage in age-appropriate or developmentally-appropriate activities, including:

(A) consulting the child in an age-appropriate or developmentally-appropriate manner about the opportunities to participate in activities; and

(B) identifying and addressing any barriers to participation; [and]

(xvii) whether the visitation schedule for the child with the child’s guardian is adequate,

unless a finding is made that visitation is contrary to the safety or well-being of the child[.]; and (xviii) if a potential kinship care resource has addressed the court as to the individual's qualifications, then whether the potential kinship care resource may receive notice of, or participate in, future hearings.

Pursuant to subdivision (d)(1)(xv), the county agency is to testify and enter evidence into the record on how it took sufficient steps to ensure the caregiver is exercising the reasonable and prudent parent standard. For the definition of "caregiver" and the "reasonable and prudent parent standard," see Rule 1120. Pursuant to subdivision (d)(1)(xvi), when documenting its steps taken, the county agency is to include how it consulted with the child in an age-appropriate or developmentally-appropriate manner about the opportunities of the child to participate in activities. For the definition of "age-appropriate or developmentally-appropriate," see Rule 1120. These additions have been made to help dependent children have a sense of normalcy in their lives. These children should be able to participate in extracurricular, enrichment, cultural, and social activities without having to consult caseworkers and ask the court's permission many days prior to the event. See also Preventing Sex Trafficking and Strengthening Families Act (P.L. 113-183), 42 U.S.C. §§ 675 and 675a (2014).

Regarding subdivision (d)(1)(xviii), see 67 Pa.C.S. § 7507(c) for Kinship Care Program.

SUPREME COURT OF PENNSYLVANIA JUVENILE COURT PROCEDURAL RULES COMMITTEE NOTICE OF PROPOSED RULEMAKING Proposed Amendment of Pa.R.J.C.P. 161, 170, and 172

The Juvenile Court Procedural Rules Committee is considering proposing to the Supreme Court of Pennsylvania the amendment of Pennsylvania Rules of Juvenile Court Procedure 161, 170, and 172 governing expungement procedures for the reasons set forth in the accompanying publication report. Pursuant to Pa.R.J.A. 103(a)(1), the proposal is being published in the Pennsylvania Bulletin for comments, suggestions, or objections prior to submission to the Supreme Court.

Any report accompanying this proposal was prepared by the Committee to indicate the rationale for the proposed rulemaking. It will neither constitute a part of the rules nor be adopted by the Supreme Court.

The Committee invites all interested persons to submit comments, suggestions, or objections in writing to:

By the Juvenile Court Procedural Rules Committee,
Judge Andrea Marceca Strong, Chair

SUPREME COURT OF PENNSYLVANIA JUVENILE COURT PROCEDURAL RULES COMMITTEE PUBLICATION REPORT Proposed Amendment of Pa.R.J.C.P. 161, 170, and 172

The Juvenile Court Procedural Rules Committee ("Committee") is considering proposing the amendment of Pennsylvania Rules of Juvenile Court Procedure 161, 170, and 172 to facilitate the complete expungement of delinquency court records.

The Committee previously published a proposal to revise the required contents of an expungement order to direct that all records be expunged or destroyed and to provide the juvenile court with the discretion to establish a compliance deadline. See 49 Pa.B. 7293 (December 14, 2019). That proposal was intended to address concerns of undue delay in compliance with expungement orders and incomplete expungements.

During the course of rulemaking, the Pennsylvania Juvenile Justice Task Force was formed. Released in June of 2021, the Task Force's Report and Recommendation included proposals changing the expungement eligibility criteria and making the juvenile probation office responsible for initiating the expungement process. Responsive legislation was introduced as Senate Bill 170, Regular Session 2023-2024, to amend the Juvenile Act. Consequently, the Committee paused further rulemaking.

The Committee was informed that the concerns giving rise to the original proposal continue to exist. Accordingly, the Committee opted to reopen rulemaking to address those concerns while remaining mindful of the pending legislation.

First, "incomplete expungements" occur when the motion and order fail to identify all the recordkeepers to be served and all the records to be expunged or destroyed. This is a particular concern in counties where the burden of initiating the expungement process is placed on the juvenile because often the juvenile does not know "who received what" as it is typically the juvenile probation office (JPO) disseminating records, including those in the manner of "service inquiries" to prospective providers of services.

Second, there should be a "feedback loop" requiring the recordkeepers to act on the expungement order by a date certain. Anecdotally, the information in the expungement order may not match the recordkeeper's required identifiers, e.g., Offense Tracking Number, so there is no expungement. However, the feedback that an expungement cannot occur based upon the information in the order is not communicated to the juvenile or the court.

The Committee proposes amending Pa.R.J.C.P. 161 to add subdivision (e) to permit an eligible juvenile to submit a written request to the JPO to disclose information to the juvenile that is necessary to expunge the juvenile's records. The JPO has 30 days to respond to that request. The requirements for the content of an expungement motion set forth in Pa.R.J.C.P. 170(b) would be amended to include identification of the records to be expunged and the recordkeepers to be served with the expungement order.

The Committee also proposes amending Pa.R.J.C.P. 172 to require recordkeepers to respond in writing within 30 days of service of the expungement order about the action taken in response to the order. This amendment is intended to provide the necessary feedback to ensure

compliance with expungement orders and to detect whether additional information is needed to effectuate the expungement.

The Committee invites all comments, concerns, and suggestions regarding this rulemaking proposal.

Rule 161. Inspecting, Copying, and Disseminating Juvenile Probation Files.

[A.](a) Inspecting and Copying. Except as provided in [paragraph (C)] subdivision (c), juvenile probation files shall be open to inspection [and/or] and copying only by:

- (1) the juvenile or the juvenile's attorney of record in the instant proceeding;
 - (2) the attorney for the Commonwealth;
 - (3) the State Sexual Offenders Assessment Board;
 - (4) the Juvenile Court Judges' Commission; or
- [B.](b)
- (5) any other person, agency, or department by order of court.

(1) Juvenile Probation Information.
(2) Information maintained by juvenile probation offices other than juvenile probation files shall be subject to inspection [and/or] and copying only pursuant to court order.

Each juvenile probation office shall create a document, which describes the information that is maintained by the juvenile probation office concerning each juvenile. This document shall be open to inspection and copying pursuant to [paragraph (A)] subdivision (a).

Contents of Order. The order shall:

- [C.](c)
- (1) specify who shall be permitted to inspect the file, information, or any portion thereof;
 - (2) specify who shall be permitted to copy the file or information;
 - (3) state that the file or information received shall not be disseminated to any person, agency, or department not listed in the court order; and
 - (4) state that dissemination of any file or information received is a violation of the court order.

Disseminating.

- [D.](d)
- (1) The juvenile probation office has discretion to disseminate portions of its files or information to the juvenile, service providers, placement facilities, and courts and courts' professional staff of other jurisdictions when facilitating placement, the delivery of services,
 - (e)
 - (2) treatment, or transfer of the case to, or supervision by another jurisdiction consistent with applicable Federal or state law.

person,
Unauthorized dissemination of any file or information to agency, or department not permitted to inspect or copy the file pursuant to this rule may result in a finding of contempt of court.

Expungement Information. Upon written request by an eligible juvenile for the purpose of expungement, and without the necessity of a court order, the juvenile probation office shall provide the juvenile the following within 30 days of the request:

- (1) a list of recipients to whom the juvenile probation office has disseminated the juvenile's record;
- (2) the identification of the records disseminated; and
- (3) any other information reasonably necessary to expunge the juvenile's record.

Comment: Documents contained in the juvenile probation files are not a part of the official court record unless the juvenile probation office officially files the documents in the official court record. Those documents placed in the official court record are governed by Rule 160 and 42 Pa.C.S. § 6307.

Juvenile probation files containing a juvenile's disclosures for the purpose of treatment should be reviewed for potentially privileged communications prior to dissemination. See, e.g., Commonwealth v. Carter, 821 A.2d 601 (Pa. Super. 2003).

The notes of a juvenile probation officer, which describe the officer's impressions or personal observations, but which are not included in a report to the court or other report, are not considered a component of a juvenile probation file that is open to inspection [or] and copying under [paragraph (A)] subdivision (a). "Juvenile probation files," as used in [paragraph (A)] subdivision (a) and defined in Rule 120, is intended to include files existing in whole or in part in either paper or digital form.

Nothing in this rule is intended to preclude the juvenile probation office from sharing information with the juvenile.

(1) The attorney for the Commonwealth, and any other person upon whom the motion was served, may file an answer to the motion.

(2) If objections to the motion are not made within [thirty] 30 days of the filing of the motion, they shall be deemed waived.

[E.](e) Court's Response to the Motion. The court shall conduct a hearing or grant or deny the motion after giving consideration to the following factors:

- (1) the type of offense;
- (2) the individual's age, history of employment, history of academic or vocational training, delinquent or criminal activity, and drug or alcohol issues;
- (3) adverse consequences that the individual may suffer if the records are not expunged; and
- (4) whether retention of the record is required for purposes of public safety.

[F.](f) Inter-County Transfer Cases.

(1) A motion to expunge or destroy records shall be filed in the county in which the adjudication of delinquency was entered.

(2) A motion regarding the records of a juvenile whose disposition did not involve an adjudication of delinquency shall be filed in the county in which the disposition occurred.

(3) The court entering an order to expunge or destroy records shall direct the order to any other court possessing records pertaining to the case.

Comment: [Paragraph (A) provides that a motion to expunge or destroy records, files, fingerprints, or photographs, or the court, sua sponte, may commence expungement proceedings.] The juvenile or the juvenile probation office may initiate an expungement proceeding in accordance with this rule.

Under [paragraphs (A)(1) & (2)] **subdivisions (a)(1)-(a)(2)**, the written allegation or petition may be dismissed for several reasons, including, but not limited to, when: 1) a juvenile completes an informal adjustment or diversionary program; 2) the attorney for the Commonwealth declines to prosecute; 3) probable cause is not found at the detention hearing pursuant to Rule 242(C) (1); 4) there is no finding on the offenses pursuant to Rule 408(B); or 5) there is no finding of a need for treatment, supervision, and rehabilitation pursuant to Rule 409(A)(1). Expungement proceedings may be commenced upon these dismissals of the written allegation or the petition.

For expungement of summary offenses heard by a magisterial district court or criminal court, see Pa.R.Crim.P. 490 and 490.1 (truancy). For eligibility for expungement, see 18 Pa.C.S. § 9123(a); 24 P.S. § 13-1333.3(h) (truancy).

For the information required by subdivision (b), see Pa.R.J.C.P. 161(e) (requesting expungement information from the juvenile probation office).

Under [paragraph (B)(6)] **subdivision (b)(6)**, any number assigned to police papers helpful in tracking the police report or written allegation that would assist the law enforcement agency in expunging or destroying the document is to be listed. A reference number could be a juvenile offense tracking number, district control number, crime control number, incident number, Philadelphia identification number, or another number assigned by the law enforcement agency to track the document.

Pursuant to [paragraph (B)(9)] **subdivision (b)(9)**, the reasons for expunging the records or destroying fingerprints and photographs are to be included in the motion, specifically citing which provision of [paragraph (A)] **subdivision (a)** applies.

"Expunge" or "expungement" is defined by Rule 120, which means to erase legally, or the process of legal erasure of an item making it permanently not available to the public but where some information may be retained only for limited purposes by agencies or departments. See [Rule 173. See also Comment to Rule 120] Pa.R.J.C.P. 173; Pa.R.J.C.P. 120, cmt.

Rule 173 provides for the retention of certain information that is crucial for: 1) determining compliance with the order to expunge; 2) determining eligibility in a court program, determining the grading or penalty of an offense, or for other purposes as provided by law; 3) maintaining statistical and research information; 4) maintaining intelligence and investigative information; and 5) financial audits.

Pursuant to [paragraph (D)] **subdivision (d)**, the attorney for the Commonwealth is given an opportunity to respond to the motion. The attorney for the Commonwealth should specify its position on whether items should be expunged or destroyed. Expunged items remain available to law enforcement agencies and the attorney for the Commonwealth in limited circumstances, whereas destroyed items are permanently erased. The attorney for the Commonwealth should consent to expunging records unless the attorney for the Commonwealth demonstrates good cause for the retention of records. See In re A.B., 987 A.2d 769 (Pa. Super. 2009).

The reasons for maintaining information pursuant to Rule 173 do not qualify as good cause against expunging records under this rule. Maintenance of specific information is different from the maintenance of the official court record or other official records of the juvenile probation office or a law enforcement agency. Pursuant to Rule 173, a separate document, file, or database is to be created. See [Rule 173 and its Comment] Pa.R.J.C.P. 173.

If the attorney for the Commonwealth objects to expunging or destroying the records, the court should conduct a hearing on the motion.

Pursuant to [paragraph (E)(3)] **subdivision (e)(3)**, the court is to consider adverse consequences that an individual may suffer if the records are not expunged. Adverse consequences are discussed in The Pennsylvania Collateral Consequences Checklist instituted by Pennsylvania Juvenile Indigent Defense Action Network in conjunction with the initiative the Models for Change System Reform in Juvenile Justice. This checklist may be accessed website at on the Supreme Court's <https://www.pacourts.us/courts/supreme-court/committees/rules-committees/juvenile-court-procedural-rules-committee/juvenile-court-committee-rules-and-forms>.

The attorney for the Commonwealth in the county in which a motion is filed in an inter-county transfer case pursuant to [paragraph (F)] **subdivision (f)** should provide notice of the motion to, and communicate with, the attorney for the Commonwealth and the juvenile probation office in the county to which, or from which, the case was transferred.

Notwithstanding this rule, [see] see 18 Pa.C.S. § 9123(a. 1) for cases that are ineligible for expungement proceedings. [See also] See also 42 Pa.C.S. § 6341 for destruction of fingerprints and photographs.

Rule 172. Order to Expunge or Destroy.

[A.](a) Contents. Any order to expunge or destroy the official court record, juvenile probation files, docket entries, law enforcement records, or fingerprints and photographs shall include the following information:

- (1) all items contained in Rule [170(B)] 170(b);
- (2) a directive specifically identifying which items shall be expunged or destroyed, including all law enforcement records, juvenile probation files, official court records, other juvenile records, fingerprints, photographs, and any other information pertaining to the arrest;
- (3) a directive that the keeper of the juvenile records shall expunge or destroy such items;
- (4) a directive that each **[agency, department, or office] recordkeeper [, upon request,]** shall notify the court or its designee, **within 30 days of service of the order and in writing**, of the action taken in response to the order to expunge or destroy;
- (5) a directive to a school building principal or his or her designee to destroy information received from the court pursuant to Rule 163 **and to comply with the notice requirement of**

subdivision (a)(4);

- (6) the printed name and signature of the judge issuing the order; and
- (7) the date of the court order.

[B.](b) Service. In addition to the service required by Rule 167, the clerk of courts, court administrator, or other court designee shall serve certified copies of the order on the chief juvenile probation officer, the Pennsylvania State Police, the Juvenile Court Judges' Commission, and any other person or agency as directed by the court.

Comment: Pursuant to [paragraph (A)(2)] **subdivision (a)(2)**, the court is to list specifically which items are to be expunged and which items are to be destroyed. Specific information retained pursuant to Rule 173 should be expunged but not destroyed. In most instances, the court should order that the fingerprints and photographs be destroyed and that the remaining records and documents be expunged.

Pursuant to [paragraph (A)(4)] **subdivision (a)(4)**, an agency, department, **school**, or office **[may be requested] is required** to produce evidence of compliance with the court order to expunge **or to explain why compliance cannot be made. The court's designee to receive written notice under this subdivision can be the juvenile probation office.** Non-compliance may result in a finding of contempt of court.

Pursuant to [paragraph (A)(5)] **subdivision (a)(5)**, the school is to destroy all information received from the court. Because the school is required to store this information separately under Rule 163(F), destruction should not be difficult. See [Rule 163 and its Comment] Pa.R.J.C.P. 163. [The court may also require the school to provide written notice of the action taken.]

IN THE SUPREME COURT OF PENNSYLVANIA

IN RE: NO. 243
 AMENDMENT OF RULE 8.4 OF THE DISCIPLINARY
 PENNSYLVANIA RULES OF PROFESSIONAL CONDUCT: RULES DOCKET

ORDER

PER CURIAM

AND NOW, this 3rd day of April, 2024, upon the recommendation of the Disciplinary Board of the Supreme Court of Pennsylvania, having been published for comment in the Pennsylvania Bulletin, 52 Pa.B. 6357 (October 8, 2022):

IT IS ORDERED pursuant to Article V, Section 10 of the Constitution of Pennsylvania that Rule 8.4 of the Rules of Professional Conduct is amended in the attached form.

This **ORDER** shall be processed in accordance with Pa.R.J.A. No. 103(b) and shall be effective in 30 days.

Additions to the rules are in bold and are underlined.
 Deletions from the rules are shown in bold and brackets.

PENNSYLVANIA RULES OF PROFESSIONAL CONDUCT

Rule 8.4 Misconduct

It is professional misconduct for a lawyer to:

(c) engage in conduct involving dishonesty, fraud, deceit or misrepresentation, **except that a lawyer may advise, direct, or supervise others, including clients, law enforcement officers, and investigators, who participate in lawful investigative activities;**

Comment:

[2] **Notwithstanding the general restriction against engaging in deceit, this Rule does not prohibit a lawyer from advising or supervising another who engages in an otherwise lawful and ethical undercover investigation, in which the investigator does not disclose his or her true identity and motivation, regardless of the nature of the matter or substantive area of law involved. This Rule does not change the scope of a lawyer's obligations under Rule 4.2 and thus a lawyer must take reasonable measures so that the investigator does not communicate with a represented party in violation of Rule 4.2, does not seek to elicit privileged information, and otherwise acts in compliance with these Rules, court orders, and civil and criminal law.**

[[2]] [3] Many kinds of illegal conduct reflect adversely on fitness to practice law, such as offenses involving fraud and the offense of willful failure to file an income tax return. However, some kinds of offenses carry no such implication. Traditionally, the distinction was drawn in terms of offenses involving "moral turpitude." That concept can be construed to include offenses concerning some matters of personal morality, such as adultery and comparable offenses that have no specific connection to fitness for the practice of law. Although a lawyer is personally answerable to the entire criminal law, a lawyer should be professionally answerable only for offenses that indicate lack of those characteristics relevant to law practice. Offenses involving violence, dishonesty, breach of trust, or serious interference with the administration of justice are in that category. A pattern of repeated offenses, even ones of minor significance when considered separately, can indicate indifference to legal obligation.

[[3]] [4] For the purposes of paragraph (g), conduct in the practice of law includes (i) interacting with witnesses, coworkers, court personnel, lawyers, or others, while appearing in proceedings before a tribunal or in connection with the representation of a client; (ii) operating or managing a law firm or law practice; or (iii) participation in judicial boards, conferences, or committees; continuing legal education seminars; bench bar conferences; and bar association activities where legal education credits are offered. The term "the practice of law" does not include speeches, communications, debates, presentations, or publications given or published outside the contexts described in (i)-(iii).

[[4]] [5] "Harassment" means conduct that is intended to intimidate, denigrate or show hostility or aversion toward a person on any of the bases listed in paragraph (g). "Harassment" includes sexual harassment, which includes but is not limited to sexual advances, requests for sexual favors, and other conduct of a sexual nature that is unwelcome.

[[5]] [6] "Discrimination" means conduct that a lawyer knows manifests an intention: to treat a person as inferior based on one or more of the characteristics listed in paragraph (g); to disregard relevant considerations of individual characteristics or merit because of one or more of the listed characteristics; or to cause or attempt to cause interference with the fair administration of justice based on one or more of the listed characteristics.

[[6]] [7] A lawyer may refuse to comply with an obligation imposed by law upon a good faith belief that no valid obligation exists. The provisions of Rule 1.2(d) concerning a good faith challenge to the validity, scope, meaning or application of the law apply to challenges of legal regulation of the practice of law.

[[7]] [8] Lawyers holding public office assume legal responsibilities going beyond those of other citizens. A lawyer's abuse of public office can suggest an inability to fulfill the professional role of lawyers. The same is true of abuse of positions of private trust such as trustee, executor, administrator, guardian, agent and officer, director or manager of a corporation or other organization
